| 9:30 | recent years the time for excuses is |

| | |
|-------|--|
| 9:33 | over Florida Governor Ron DeSantis still |

| 9:46 | on Monday his political staff is set to |
| 9:49 | move into a new base of operations |
| 9:51 | according to two sources that move will |
| 9:54 | cost enough money to trigger disclosure |
| 9:56 | requirements and the need to file |
| 9:58 | candidacy paperwork with federal |
| 9:59 | election officials within 15 days and |
| 10:02 | while DeSantis husband Coy about the |

| 10:32 | legislatures total these are the folks |
| 10:34 | that are out there knocking doors |
| 10:36 | talking to supporters key help in the |
| 10:38 | state thus traditionally where voters |
| 10:39 | are first to weigh in on the race for |
| 10:41 | the Republican nomination the most |
| 10:44 | important state in the country we get to |
| 10:46 | decide who comes out of this state and |
| 10:49 | who is the front runner to become the |
| 10:50 | next president and while former |
| 10:52 | president Trump dominates the national |
| 10:54 | polls for his party's nomination Iowa |
| 10:57 | caucus goers are known for careful |
| 10:59 | deliberation number one in the nation so |
